BUNGALOWS ON THE BEACH IN PULPI

€ 350.000

Pulpí

3 97 m²

This new residence on the beach of Los Nardos consists of bungalows with gardens or solariums that are arranged with 2 or 3 bedrooms and 2 bathrooms and give a beautiful sea view.
The estate is integrated into nature thanks to the communal areas with dense vegetation that embellish the walkways and are perfect for jogging.
There is a long artificial stream that crosses the whole complex and flows into a small lake.
The communal area includes three swimming pools for adults, one heated and two for children.
In addition, each pool area has a heated whirlpool and a large lawn and terrace with sun loungers, parasols and showers.
For children there is a playground with colourful play equipment...
