Great new development of apartments and villas at La Serena Golf!

The luxury condominiums consist of first floor units with terrace and garden, second floor with spacious terrace and top floor with terrace and private solarium.
Each unit has 2 to 3 bedrooms, 2 bathrooms, open living space with equipped kitchen and underground parking.
The gated complex features communal pools, green areas, lounge-areas, walking paths and a children's playground.

La Serena Golf is located in the municipality of Los Alcázares, on extensive land right next to the Mar Menor. The golf course is mostly flat and the biggest difficulties are the Levante wind and water hazards that occur in 16 of the 18 holes. La Serena Golf has a large clubhouse with all the necessary facilities and services. Golf services are located on the first floor and include locker rooms, a pro shop, caddy master and storage facilities for members and clients. In addition to the à la carte restaurant, the second floor offers a large bar-cafeteria overlooking the Mar Menor and the golf course.
Another unique point is the walking connection to the town center which allows you to always have easy access to all necessary services and facilities such as the local supermarket, bars, restaurant, pharmacy, banks, etc.
Easily accessible via the airports at Murcia and Alicante, 25 and 55 minutes away respectively.
