# VERY SPACIOUS SINGLE STOREY VILLA SURROUNDED BY NATURE

**€ 845.000**

El Pinar De Campoverde

3 | 803 m² | 189 m²

Beautiful, single-story villas surrounded by nature!
These villas feature 3 bedrooms, 3 bathrooms, fully equipped kitchen and open living area. With an area of almost 190 m2, including a basement/garage, these homes offer an unparalleled combination of luxury and comfort. The outdoor spaces are fully landscaped with green areas, patio with outdoor kitchen and private pool including lounge area.
The plot is fenced and has an electric gate. This not only ensures security but also contributes to the complete privacy that this residence has to offer.
"Pinar de Campoverde" is a town located on a wooded hill, 7 km from the beaches of the Costa Blanca, overlooking the Mediterranean Sea.
The region offers a typical Mediterranean climate with almost 3.000 hours of sunshine per year and an average winter temperature of 20 degrees.
This urbanization, belonging to the town of Pilar de la Horadada, is very active throughout the year.
Surrounded by golf courses, it is a place of choice for sports lovers, hikers, cyclists,..
