PROJECT WITH SEMI-DETACHED HOUSES

€ 269.000

Avileses

3 | 115 m² | 110 m²

New phase of this project with semi-detached houses, finished to a high standard with luxury and sustainability in mind.
Each house has 3 bedrooms, 2 bathrooms, a fully equipped kitchen, a living room opening onto your terrace with private swimming pool and private parking.
In addition, each villa has a spacious solarium to enjoy the Spanish sun and beautiful views.

The project is located in an exclusive residential area near the coast of Mar Menor, in a quiet town with various services and facilities such as supermarkets, restaurants and bars within walking distance.
Murcia is half an hour's drive away, with the airport only 25 minutes away.
On the coast of Mar Menor you will find beautiful sandy beaches, water sports, nature reserves and local golf resorts.
